# Arizona Universities & Community Colleges

## Four-year institutions

### Arizona State University

ASU is a leading research institution located in a thriving metropolis. Excellence in academics, high-tech facilities and award winning faculty complement a high quality of student life on one of the nation's most beautiful campus settings. ASU students benefit from an array of academic support services, undergraduate research activities, career placement, and graduate study opportunities.

### Arizona State University East

ASU East is the home of the College of Technology and Applied Sciences, and the School of Agribusiness and Resource Management. The new East College offers programs to meet demonstrated demands, and includes: Elementary Education, Applied Psychology, and General Business.

### Arizona State University West

ASU West is a non-residential campus of Arizona State University offering 29 baccalaureate and nine master's degree programs. Students enjoy a small college atmosphere on a conveniently located, full service neighborhood campus, while having access to the resources of a Research 1, PAC-10 university.

### Embry Riddle Aeronautical University

Embry Riddle is a recognized world leader in aviation/aerospace education. A variety of B.S. degrees include aeronautical science, aerospace, electrical and computer engineering, computer science, aerospace studies, and science, technology & globalization, with emphasis on global security/intelligence studies, management, and environmental sciences.

### Grand Canyon University

Grand Canyon University is Arizona's only private, liberal arts, Christian university. An intimate student population of 3000 lends itself to faculty student mentoring relationships and personalized education. Notable programs include PT, OT, PA, Nursing, Education and Pre-Med. Excellent scholarship and financial aid packages are awarded annually.

### Northern Arizona University

NAU is Arizona's public university with an emphasis on undergraduate education through more than 100 majors, each with internships and research opportunities. More than 50% of all students live on campus. The Flagstaff campus features diverse cultural events, more than 180 clubs and organizations, and outstanding on and off-campus recreational opportunities. To study close to home, statewide academic programs make degree completion convenient and inexpensive.

### The University of Arizona

A research I university ranked 13<sup>th</sup> nationally among public institutions, UA boasts numerous quality programs among its 100+ majors, including the nation's largest Honors College. Students can join living/learning communities in freshman colloquia, in residence halls, through cultural centers, clubs, or sports. We offer over 70% of our students a share in \$200 million in financial aid and scholarships each year.

## Two-year institutions

### Arizona Western College

AWC is a growing, residential community college in Yuma, Arizona. AWC offers a wide variety of programs leading to certificates or associate degrees. Through a partnership with Northern Arizona University, students may earn an Associate's degree from AWC and pursue a Bachelor's, Master's, or Doctorate degree on the AWC campus. The college takes pride in being a learning institution, designed to focus on you - the student - and providing the range of learning experience and services which will allow you to achieve your goals.

### Central Arizona College

Central Arizona College is between Phoenix and Tucson, five miles from I-10. Just outside Casa Grande, the campus is landscaped. Students enjoy state-of-the-art residence

halls, championship athletic teams, several student clubs and organizations geared toward specific student needs, and a research-based honors program. Scholarships and financial aid available.

### Chandler-Gilbert Community College

Chandler-Gilbert Community College, located in the southeast valley communities of Chandler and Gilbert, is now serving students at three locations, Pecos Campus, Williams Campus and Sun Lakes. We offer two-year degrees and certificates in Aviation, Business, Computer Networking (MCSE, Cisco), Developmental Disabilities Specialist, Early Childhood Education, Manufacturing Technology along with university transfer degrees and programs of study.

### Cochise Community College

A two-year college offering a variety of degrees and certificate programs designed to transfer to Arizona universities and/or train you for direct employment. Cochise College, the third largest community college in Arizona, has two campuses and three centers. The campuses are large enough to offer many features found on a university campus, yet small enough to be personal and friendly.

### Coconino Community College

CCC is the state's newest two-year college district with two campus located in Flagstaff and Page. Coconino offers 30 degree and certificate programs and 11 university transfer programs. Tuition is only \$27 per credit hour for in-state residents.

### Dine College

Dine College is the first tribally controlled college in the U.S. This fully accredited school offers academically challenging and transferable college-level courses. One unique function is to promote and nurture the language, culture and history of the Navajo people. Navajo history and philosophy are integrated into the traditional academic curricula.

### Eastern Arizona College

EAC is a friendly and safe rural Community College located in Thatcher (southeastern Arizona). Many University Transfer Programs, Associate Degrees, and Occupational Certificates are offered. Extracurricular options include nationally recognized music & drama programs, six Intercollegiate sports, and an active student government. Low tuition and very affordable On-Campus housing and meals available.

### Estrella Mountain Community College

EMCC serves the West Valley communities through general, transfer and developmental education, workforce development, student support services, and community education. We offer a variety of certificate programs in Oracle, CISCO, MCSE and Web Development. EMCC where "your success is our success."

### Gateway Community College

As one of the Maricopa Community Colleges, GateWay Community College is a fully accredited public institution of higher education located on an urban campus in Phoenix. GateWay offers over 85 Certificate and Associate Degree programs. GateWay continuously provides high quality student services, education and career training through innovation and state-of-the-art technology.

### Glendale Community College

GCC is a Maricopa Community College that offers a wide array of occupational and university transfer programs, men and women's athletics as well as extracurricular activities.

### Mesa Community College

MCC serves Maricopa County with seven east valley locations, including the new and comprehensive Red Mountain Campus. State-of-the-art facilities, competitive course curriculum, and highly qualified faculty make MCC a leader in higher education. MCC offers university transfer programs to ASU, NAU, UA, and BYU. A vast array of occupational and certificate programs are available. Academic support services, championship athletics and a

diverse student population complement campus life at MCC.

### Mohave Community College

Mohave is located in Northwest Arizona with campuses located in Kingman, Lake Havasu, Mohave Valley, and Colorado City. It offers Associate Degrees and Certificates as well as University transfer programs.

### Northland Pioneer College

Northland has four campuses, six centers, and numerous sites to offer traditional and distance learning opportunities to students in northeastern Arizona. The 21,000 square mile district encompasses three Indian Reservations, high desert terrain, and lush mountain vistas. With a highly qualified staff, the college offers five Associate Degrees and over 25 vocational programs. In-state tuition is a low \$25 per credit hour making Northland affordable, convenient, and life changing.

### Paradise Valley Community College

Paradise Valley offers Associate Degrees and Certificates, as well as a range of transfer programs that include Pre-Education, Pre-Engineering, Pre-Nursing, Pre-Pharmacy, Haz Mat and International Business. It is also an authorized Microsoft training center.

### Phoenix College

Phoenix College, with its friendly, student centered environment offers university transfer degrees, occupational degrees and certificates in over 140 programs. This includes programs in Business, Marketing, Computer Graphic Design and many unique programs such as Registered Nursing, Fire Science, Dental Hygiene/Assisting, Studio Music Recording, and Media Arts. Extracurricular activities include an excellent drama program, three student choirs, a jazz band, pep band, outstanding intercollegiate athletic programs, and over 20 student clubs.

### Pima Community College

PCC is a dynamic, multi-campus college with five campuses and a new education center located in the Tucson area. Options include nearly 150 programs that lead to certificates or Associate Degrees, and 30 university transfer programs, with most credits transferring to Arizona's universities.

### Rio Salado College

Known as the "college without walls," Rio Salado brings educational opportunities directly to students through distance learning, accelerated programs and customized partnerships with corporations and government agencies. The Rio Salado web site at [www.rio.maricopa.edu](http://www.rio.maricopa.edu) has been named one of the outstanding higher education web sites on the continent by the North American Web Association. Rio Salado enrolled more than 34,000 credit students last year.

### Scottsdale Community College

SCC is a learning and student-centered institution with a staff dedicated to providing educational opportunities for a diverse student population. It is located on the Salt River Pima-Maricopa Indian Reservation with a SCC Airpark Campus. SCC offers two year certificate and degree programs with university transfer options. Special programs in Culinary Arts, Electric Utility Technology, Equine Science, Hotel/Restaurant Management, Motion Picture Television Production.

### South Mountain Community College

South Mountain is a small student-centered college with a strong liberal arts, teacher education, and information technology programs, designed to move students toward goals of university transfer and/or career preparation. Staff and faculty attention to student success, and small classes insure that you don't get lost in the crowd. The college is located across from the Legacy Golf Resort.

### Yavapai Community College

A residential campus with three coed residence halls. Yavapai offers a variety of transfer and certificate programs, plus six competitive sports programs.
